## CERTIFICATE OF ANALYSIS

### Product Information

|                        |                                 |
|------------------------|---------------------------------|
| Product Name:          | eblot L1 Blotting System Device |
| Cat. No.:              | L00686C                         |
| Serial No:             | B222HO06K                       |
| Storage Condition:     | RT                              |
| Quality Release Date : | 06-Jan-2023                     |

### QC Results

| Test Items         | Specifications                            | Results |
|--------------------|---|---------|
| Appearance         | Appearance Detection                      | PASS    |
| Operation Function | Screen                                    | PASS    |
|                    | Buttons                                   |         |
|                    | Liquid inlet and outlet                   |         |
| Blotting effect    | Detection Sensitivity&Transfer Uniformity | PASS    |
